

**STATE OF TEXAS
OFFICE OF THE GOVERNOR**

Greetings:

As Governor of Texas, I am pleased to extend greetings to everyone celebrating World FM Day hosted by the International Facility Management Association.

As facility management professionals, you play an important role in workplaces across the state, the nation and the world. Your work helps preserve property assets, increase productivity and protect the health, safety and well-being of others.

We all benefit from the hard work you do each day, and I thank you for your dedication to providing a pleasant environment in the thousands of buildings we walk into.

First Lady Anita Perry joins me in wishing you all an enjoyable event.

Sincerely,

Rick Perry
